

High Protective Coating & Paints

For Automotives, OEMs, Infrastructure, Refineries, Transformers, Chemical Plants and Heavy Machineries

Epoxy & Epoxy Novolac
Polyurethane
Acrylic & Acrylated
Modified Alkyd
Special Polymers

With more than two decades of experience of promoters in the Protective Coatings market, **Indokote has proven success in high performing heavy-duty industrial and offshore coating technology, protecting steel, alloys and concrete from corrosion, chemical attack and abrasion.** Indokote provide our customers with relevant and practical advice, excellent service and product while offering the best possible customer value.

Service Philosophy

To provide:

- Professional service at every stage
- Expert knowledge
- Latest technology
- Consistent excellent customer value
- Understanding of local conditions
- **Application Training and support**

Product Range

Indokote manufactures and distributes a wide range of Automotive, Industrial and high performance Epoxy and PU based coatings. All products are manufactured to satisfy the requirements of a diverse local and national customer base.

Primarily we refer RAL; Pantone and IS shades to our customers for standardization of their product colour in today's global market scenarios. However Indokote do customization of shades and other properties according to customer needs and majorly provide solutions in Polyurethane, Epoxy, Modified Alkyd and Acrylic based technologies.

Customer Support

Through its Customer Training, Indokote continues to provide its Automotive and Industrial Customers with the most comprehensive and up to date training in the application and use of its products. These training are held regularly at the manufacturing location and managed by production, research and development staff. This service is provided to both domestic and national customers.

We enjoy strong strategic alliances with global brand leaders for technology and Raw Material that complement our own capabilities, ensuring our customers have access to the best possible coatings and engineering solutions for corrosion control and asset protection.

Professional, knowledgeable service, constant improvement, enduring customer relationships and world class products are the "corner stone's" of our business today and will continue into the future."

Highly Specialized Industry Specific Coating Solutions for:

- **Offshore & Onshore Oil & Gas**
- **Power & Distribution Transformers**
- **Agriculture Implements**
- **Tipper & Trailer Heavy Trucks**
- **Infrastructure, Scaffoldings, PEBs**
- **Concrete & Floors**
- **Process Industries**
- **Automobile and OEM Components**
- **Cement and Chemical Plants**

Indokote Protective Coatings

Primers

Epoxy	: IndoPoxy 240, 250, 320, 630HB, 690HSHB, 700ZR, 740ZR
Polyurethane	: IndoThane 280, 980, 990Automotive
Acrylated	: IndoProtect 490, 495
Modified Alkyd	: IndoFast 310, 330, 375, 440, 440MIO

Intermediates

Epoxy	: IndoPoxy 645MIO, 645HB, 670HS
--------------	---------------------------------

Top Coats

Polyurethane	: IndoThane 4090X, 4080, 4800G
Acrylic PU	: IndoThane 1033, 1067, 1067HS, 2075G/SG
Epoxy	: IndoPoxy 5070, 5070HB, 5080HS, 900CT
Acrylated	: IndoProtect 3000, 4490, 4900G
Modified Alkyd	: IndoAuto 4040, IndoFast 4010

Automotive & OEM Coatings

Acrylic TSA	: IndoStov 1069, IndoStov 690
Acrylic PU	: IndoThane 1070, 1070C, 990
Acrylic TPA	: IndoAcry 1190

Other Miscellaneous Coatings

- Solvent less Epoxy Coatings
- 2K Conductive Primer Black for PP, ABS etc
- PU and Epoxy based DTM (Direct to Metal) Finishes
- Epoxy Floor Primer and Paints
- TPA Road Marking Paints
- Food Grade Epoxy Coatings
- 1K Urethane Moisture Cured Primers

“Indokote’s major competitors are big players with plenty of resources behind them. But the edge we have is our flexible, innovative approach. It’s something we will always be able to rely on.”
